LOUADA FARMS SALE

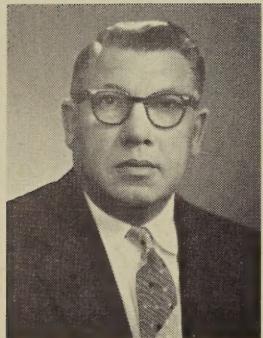

OCTOBER 26, 1959

On the front cover . . . Five sons of Bapton Constructor. Left to right, **Louada Command**, younger calf not selling; **Louada Raven**, Lot 10; **Louada Advocate**, Lot 7; **Louada Bonaparte**, being retained as a herd sire; and **Louada Raider**, Lot 8.

Above . . . Eight sons of Bapton Constructor. Left to right, **Louada Command**, not selling; **Louada Advocate**, Lot 7; **Louada Citation**, Lot 11; **Louada Rodney**, Lot 5; **Louada Viking**, Lot 9; **Louada Raven**, Lot 10; **Louada Bonaparte**, being retained; and **Louada Barbarian**, Lot 6.

ALL LOUADA SALE PHOTOGRAPHS ARE UNRETOUCHED.

Louis Cadesky

The cattleman who places his future in the hands of a Louada bull is entitled to the best efforts we can make. That is why there is no such thing as standing still with the Louada herd program. We continue to look many years ahead in our planning.

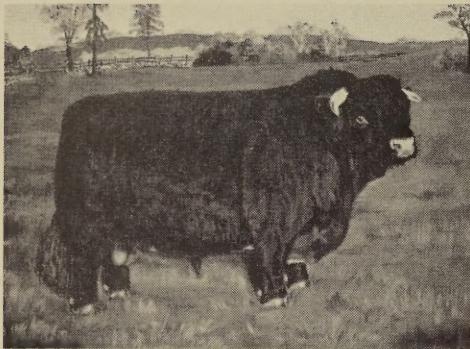

Although at this writing, the sale is still six weeks away, the anticipation of having a fine gathering of cattlemen with us again, has reached a high pitch already. I am sure that the entire staff at Louada feels it, as I do, and I am equally sure the reason we all feel this way is because we believe we have more to show you this year than ever before.

One of the big dividends that is yours as a Shorthorn breeder is the fellowship of the many fine people throughout the world who are your partners in the Shorthorn business. We believe the Louada sale provides an ideal place for all of us to get together. Join the group this year at Louada — you will be missing something if you don't — and come back to Louada as often as you can.

Louis Cadesky

These daughters of *Bapton Constructor* are being put back into the Louada herd.

Painting of Bapton Constructor by
Joe Hutchins, Benton, Ohio.

This will be the second year for the sons of Bapton Constructor. However, it will be the first year we have had the opportunity of selecting our bull offering from a really full year's crop of his calves.

We kept one son for ourselves . . . and then set about to decide which were the next fourteen best sons. The only consideration was to pick those bulls, which in our opinion, would do the best job for

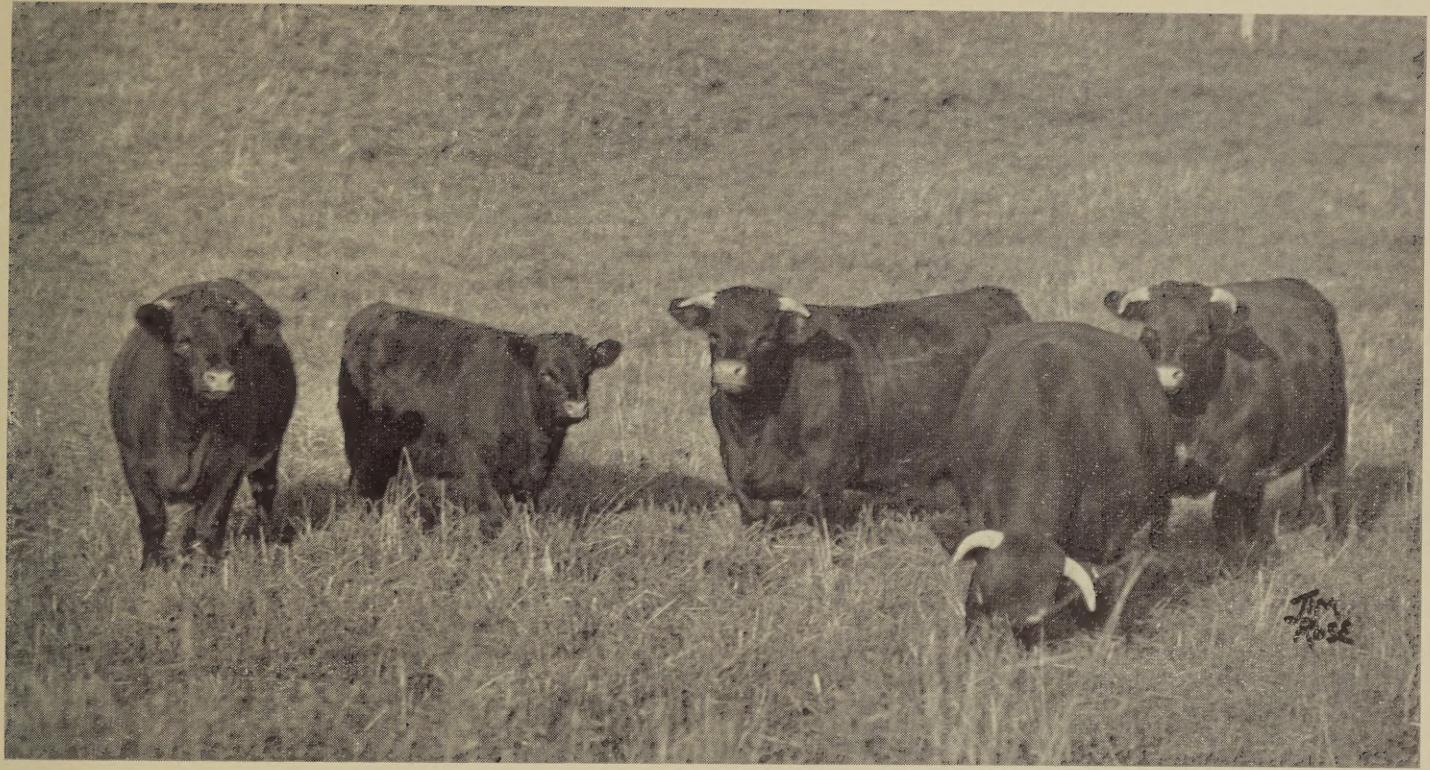

our customers. We have refused absolutely to price any of these bulls.

The strength from the dam's side is very important. The Louada cow herd is stronger than ever before. Any bull in this sale is backed not only by the strength of Bapton Constructor, but also by a cow that has the depth of sound breeding that should make her son a potent stock bull.

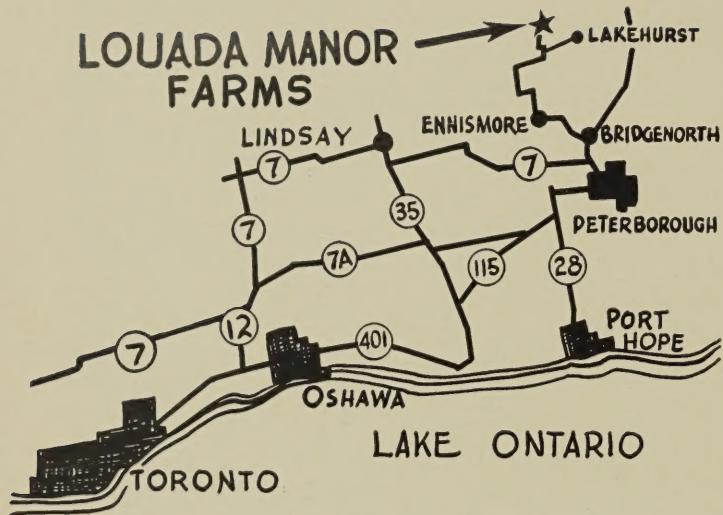

As far as the females are concerned, there is a simple reason why no Louada offering has even closely approached this. With the retention of Bapton Constructor daughters and the purchase of the entire Saltoun herd, we are in a position to part with females that even as recently as a year ago we could not have considered selling. I wish we had been able to pick from such a group in the foundation of the Louada herd.

We are all looking forward to seeing you. All of us who work with cattle will have time to answer any questions and to show you anything you wish to see.

*Wilbur Donaldson
Manager, Louada Farms*

These daughters of Bapton Constructor are being retained in the herd. Extreme left, *Louada Princess Daisy*, full sister to *Louada Princess Royal* 12th, purchased in the 1958 sale by Leonard Buck, Thomasville, Ga.; next are two full sisters, the one in the center being *Louada Blood Royal* 21st, second in class at the 1958 International; with head down is *Louada Luxury*, 1958 International reserve grand champion, and at the extreme right is *Louada Rothes Mary*, second prize senior heifer, 1958 International.

Going East out of downtown Toronto take the new super-highway 401 through Bowmanville, then North and East on 115 to 28. Follow North a short distance on 28 to 133 and continue North to 7. You need not go into Peterboro, but turn off Highway 7 on road to Bridgenorth. From here our farm signs will guide you through Ennismore and onto the farm. If you are traveling North of Toronto take Highway 7 and then proceed as outlined above. It is a little more than a two hour drive from Toronto to the farm.

All of the pictures of the sale animals are unretouched. They were taken in July.

Sale Information

Time and Place

Monday, October 26, 1959. 1 p.m. at Louada Farms, 20 miles north of Peterborough, Ontario. Approximately 90 miles from Toronto.

Transportation

From Toronto the Canadian Pacific runs frequent trains. Toronto is easily reached by any means of transportation. If you wish to be met in Toronto we will be happy to do so, but please notify us sufficiently in advance. See page 95 for train and plane schedules. Those coming by plane on Saturday and Sunday should report to Trans-Canada flight information counter. Inquire about transportation to Louada Farms. A representative of Louada Farms will be nearby.

Hotel Accommodations

Sale headquarters will be the Empress Hotel, Peterborough. You can make reservations directly with them or we will be glad to do this for you. If you prefer a motel, there are several good ones and we can make reservations for you.

Auctioneers

C. D. Swaffar, Tulsa, Oklahoma; James McKinley, Morpeth, Ontario.

Guarantee

All of the cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

Health

The Louada herd is Federally Accredited for Brucellosis and T. B. Official calfhood vaccination of females has been practiced for several years. All papers necessary for export will be provided.

American Assn. Fee on Animals Imported from Scotland
These fees will be paid by Louada Farms.

Terms

The terms of the sale are cash. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but Louada will assist in making shipments and loading on trucks.

Liability

Louada Farms accept no liability for accidents that may occur, although everything will be done to provide for the comfort and safety of those attending. Accidents at cattle sales are very rare, but all who attend must do so at their own risk. The sale manager, auctioneers, and clerks were employed by Louada for specific tasks promotional and clerical and have no connection with the handling of the cattle or the condition of the premises.

Farm Phone

Buckhorn, Ontario, Oliver 78792.

Toronto Office Phone

Louis Cadesky, Empire 30412.

Mail Bids

We hope that it will be possible for you to attend this sale. If you cannot and wish to send a bid, it may be sent to any of the following: Harold White, Executive Secretary, Canadian Shorthorn Breeders' Assn., Gummer Bldg., Guelph, Ontario.

Don Longley, The Shorthorn World, 16 South Locust St., Aurora, Illinois.
E. H. Stoltz, Eastern Rep., Canadian Shorthorn Assn., Guelph, Ontario.
Warren Morse, Corn Belt Dailies, Union Stockyards, Chicago 9, Illinois.
Mervin F. Aegeuter, The Shorthorn World, Seward, Nebraska.

Wilbur Donaldson, Manager, Louada Farms.

C. K. Tomson, Harding & Harding, Geneva, Illinois, or to either of the auctioneers.

Ed Huff, Livestock Breeder Journal, Culpepper, Va.

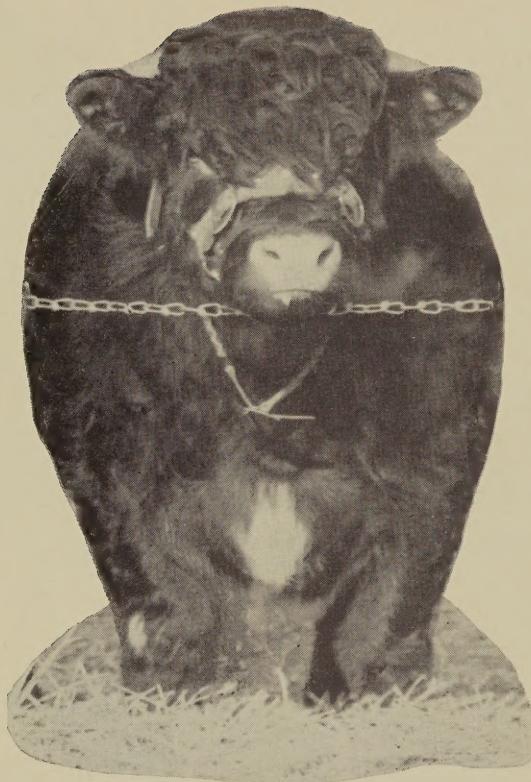

Reservation For Showing

Louada Farms reserves the right to retain any animals in this sale for exhibition. Delivery can be made at the Royal Winter Fair or International.

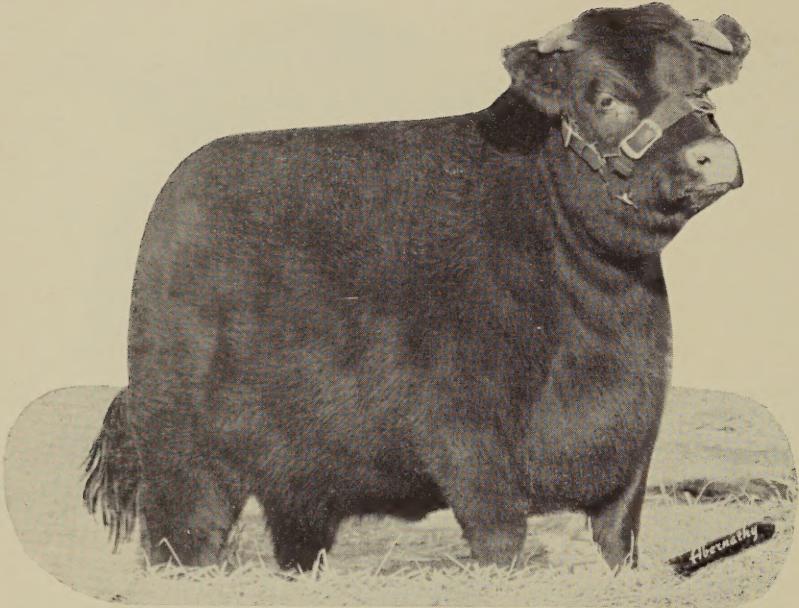

Further Information About Sale Cattle

The farm manager or sale manager will be glad to send you our critical appraisal of any of the sale animals.

DON LONGLEY, Sale Manager
16 South Locust Street — Aurora, Illinois

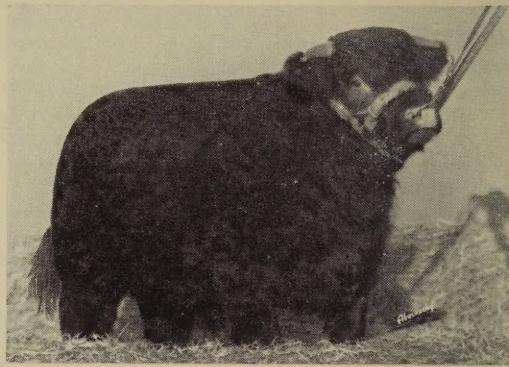

Louada Regalia. A half interest in this son of Bapton Constructor has been sold to Fralawn Farms, Owen Sound, Ontario, for \$7,500. His full brother, Louada Rodney, sells as Lot 5.

Above, **Clipper Clove Gloria**, 1958 International Congress Grand Champion Female. This Hi-Ho Farms heifer is a daughter of Louada Gambler, their herd sire. She sold for \$2,950 and was purchased by us to go into the Louada herd. She is just one of many top bulls and females sired by Louada Gambler.

In the 1957 Louada sale Hanson Heights Farms, Connersville, Indiana, purchased a heifer bred to Bapton Constructor for \$1,200. A half interest in the bull calf she carried was sold by Hanson for \$3,500 to Ray and Gerald Clodfelter, Greencastle, Indiana, one of the leading Polled Shorthorn herds.

We cannot hope to relate even a reasonable portion of the successes cattlemen in every corner of North America are having with their Louada purchases. The few stated here are typical. They show that a good bull has lasting value — that a big share of his purchase price can be regained, should you desire, after you have put many of his daughters back in the herd. These instances also demonstrate that it doesn't cost to buy females bred to a bull like *Bapton Constructor* — it pays.

Louada Principal, purchased by Pancake Ridge Farm, Belleville, Ohio, in the 1956 Louada sale. A son sold in the 1958 International sale for \$1,050. After using the bull for three years, they sold a half interest in him to Prescott Down & Sons, Wyoming, Illinois, for a substantial part of their original investment.

Louada Fearless. The son of Calrossie Armada that made such a good record in The Hickories herd, Pardeeville, Wis. Ten head by Louada bulls in the 1958 International sale brought more than \$1,000, including a son of Louada Fearless. After use in The Hickories herd for four years, he was also sold at a premium price to Ralph Bivin and Glenn Mangold, Illinois, with semen rights being retained by The Hickories.

Right, twin sons of Bapton Constructor, purchased in dam from Louada by True Buckmaster. They brought \$3,000 and \$1,900 to Woody Devine, Bedford, Ind., and Williams Stock Farm, Bryant, Ind. A third son, her calf at foot at the time of purchase from Louada, brought \$1,025, to R. D. Berkes, Angola, Ind. The cow herself sold for \$2,000 to Tuscarora Farms, Neeleyton, Pa. — a return of \$7,925 for a \$1,550 investment in two years time.

True Buckmaster, Portland, Indiana, purchased three females in the Louada sales . . . at \$1,550, \$1,800, and \$1,550 . . . a total investment of \$4,900. In his dispersion, October, 1958, these three cows and their calves brought a total of \$13,275. All but one of the calves came at side or in dam with the original Louada purchases.

In the 1955 Louada sale, Buckmaster purchased Louada Commander for \$5,000. After using him for three seasons, they sold him in their dispersion for \$4,200. In this dispersion there were 13 mature sons, fourteen yearling and two year old daughters, 25 nursing calves by him. Five of his sons sold for more than \$1,000. Every one of the 18 bulls in the Buckmaster dispersion were of Louada blood. They totaled \$21,325 for an average of \$1,185.

Al Martin, Hi-Ho Farms, Phoenix, Maryland, and a group of the 1958 sale heifers.

Mr. and Mrs. Otto Grosse, Northwood Farms, Crystal Lake, Ill., look over Easterlovat Gloria. He purchased this heifer in the sale and has an outstanding Bapton Constructor son out of her.

Earl and Ed Thiede, Burnton, Nebraska, study some of the sale females on the Sunday before the 1958 Louada sale.

H. D. McGowan Maclyn Plantation, Albany, Ga., second from right, and Louada Bomber, 1958 International grand champion, one of his purchases in the 1958 sale.

Sunday . . . the day before the Louada sale, is filled with the kind of relaxation you enjoy most. Because there is so much to see, the largest "day before" crowd of the year gathers at Louada. The late morning and early afternoon hours are used to look over the cow herd, all of which are identified, and to really get to know the sale cattle. By late afternoon the crowd gathers at the lodge for an evening of relaxation and a buffet.

The entire Louada herd, including the cattle in the sale, are out of doors, where you can see them in their natural surroundings. Keep in mind that it is about a two hour drive from Toronto to the farm, and your visit will work out best if you plan to arrive no later than Sunday.

Ho Allen and Major H. H. Allen, Hi-Ho Farms, in a pen of Bapton Constructor heifers.

All the Louada cattle are shown out of doors in grassy lots. These bulls sold last year.

Louada Manor Farms.

THE WORLD'S MOST POTENT BLOODLINE

These four Louada bulls, three by Bapton Constructor, placed one, two, three, four in the senior bull calf class, 1958 International. On the extreme right is **Louada Bomber**, 1958 International grand champion. Others from left, **Louada Beaver**, fourth, **Louada Paragon**, third, **Louada Regalia**, second.

Sire

BAPTON CONSTRUCTOR

World's record price Scottish Shorthorn bull and senior herd sire at Louada.
Photograph taken at last year's sale, as a three year old.

THE WORLD'S MOST POTENT BLOODLINE

The true test of any bloodline is its ability to breed on into the second, third, and succeeding generations. The best sons of a bull that sires only an occasional good one are of little value . . . nor is the blood of a bull who sires good ones himself, but whose sons cannot carry on.

The measure is consistence. No bull has ever proved himself so conclusively into the third generation at such an early age as has Bapton Constructor . . . now just four years old.

Already his grandsons are rising to the top. The first son of Bapton Constructor was Bapton Roan Robin. One of his first sons is Kinellar Royal Robin, the young bull we have selected for our junior herd sire, at a record price for a calf of his age.

Son

KINELLAR ROYAL ROBIN (*Right*)

New herd sire at Louada. He demonstrates the potency of Bapton Constructor blood into the third generation.

Several females in this sale will be sold with breeding privilege to him . . . carrying the first great-grandsons and great-granddaughters of Bapton Constructor.

BAPTON ROAN ROBIN (*Left*)

Stock bull at Bapton. First son of Bapton Constructor.

The first calf by Bapton Roan Robin, Bapton Andree Acres, has been undefeated in her class in Great Britain this year.

The second calf, a November bull, was Supreme Champion at the Black Isle Show.

Kinellar Royal Robin, new Louada sire, is his third calf, and he brought a record price for a calf his age. Another son recently won the grand championship 1959 Iowa State Fair for Von-Ber-Mar Farms.

Grandson

BAPTON DAILY EXPRESS

Bapton Cairnbrogie, full brother to Bapton Constructor, was purchased at the top price of the 1957 Perth Sale (7,000 gns.) by A. R. Cross, Calgary, Alberta. In the summer of 1958, at the greatest Short-horn show ever held in Western Canada, Bapton Cairnbrogie was the Supreme Champion. (Calgary, 275 head from 38 U. S. and Canadian herds competing).

A son of Bapton Cairnbrogie, Bapton Pioneer, sold in our 1958 sale for \$5,000 to Northwood Farms, Crystal Lake, Ill. Another son, Bapton Daily Express, was the 1959 Perth Supreme Champion.

Right, **Kinellar Buttercup 11th**, the dam of Kinellar Royal Robin. As a heifer calf she was exhibited at four shows placing first each time. As a yearling she was the reserve champion female, Royal English show, reserve for best animal bred by exhibitor at the Great Yorkshire show, grand champion at the Echt show, female champion at Turriff. She is the only heifer calf dropped in Scotland by the 1956 Perth reserve senior champion, Kinellar Napoleon, purchased for \$25,500 by Acadia Farms, Northfield, Ohio.

Left, **Kinellar Royal Robin**, the new junior herd sire at Louada. This picture was taken at six months of age. A son of the great Bapton Roan Robin. The first calf by Bapton Roan Robin, Bapton Andrea Actress, has been undefeated in class in the shows in Great Britain this year, including the Royal Highland, English Royal, and Great Yorkshire show, giving away five months in age to her next youngest rival. The second calf, a November, 1958, bull was Supreme Champion at the Black Isle Show. Kinellar Royal Robin is the third calf.

Bapton Roan Robin is proving a worthy son of Bapton Constructor and we feel that Kinellar Royal Robin will carry on.

LOUADA BONAPARTE — Out of one of the great cows of the breed. We have four of her daughters in the herd and she is due to calve again in August. She is the granddam of Louada Galahad, Louada Battleship, and Louada Beaver, sold in previous Louada sales, and of Louada Barbarian and Louada Cornerstone, selling in this sale. Louada Bonaparte carries a great concentration of blood of Calrossie Control.

Left, **Louada Advocate**, Lot 7; **Louada Bonaparte**; **Louada Citation**, Lot 11; and **Louada Raider**, Lot 8.

Left to right — **Blood Royal 34th**, the dam of Louada Barbarian, Lot 6; Louada Beaver, Louada Battleship and Louada Galahad, sold in previous sales. Her dam, **Blood Royal 33rd**, granddam of the bulls listed above. Also, the dam of Louada Bonaparte, and the granddam of Louada Cornerstone, Lot 1. **Louada Augusta Aileen**, the dam of Louada Achilles, Lot 3 and Louada Aristocrat, the Bill Anderson herd sire. Her dam, **Calrossie Augusta Aileen**, granddam of Louada Achilles and Louada Aristocrat. Dam of Louada Sensation, the Barry herd sire, and Louada Advocate, Lot 7.

Extreme left, **Louada Commander**, by Calrossie Armada. We have repurchased an interest in this bull from Buckmaster, Daugherty, and Bourne, of Indiana.

Left, calfhood shots of **Louada Regalia**, **Louada Paragon**, and **Louada Bomber**, sons of Bapton Constructor sold last year. All out of daughters or granddaughters of Calrossie Armada.

Below, **Louada Ranger**. International reserve junior champion by Calrossie Armada. Exported to New Zealand.

No Louada catalog would be complete without a tribute to Calrossie Armada. Through his many sons in service in leading herds throughout North America, his improving influence will be felt for years to come.

Some of the best brood cows in the Louada herd today are his daughters and granddaughters. We have found they nick particularly well with Bapton Constructor.

As the crowd approached the pavillion,
Pete Swaffar looks determined, Clint
Tomson seems happy about the pros-
pect of selling insurance.

*Ready for the
Sale!!!*

Headed for the auction ring.

LOUADA CORNERSTONE, Lot 1.

LOUADA CORNERSTONE — Out of one of the very best daughters of Calrossie Armada. His granddam is one of the great cows of the breed. We have a full sister and two half-sisters of his dam in the herd. This bull has been used heavily since June 1st.

LOUADA ACHILLES — Full brother to Louada Aristocrat that sold in our 1958 sale to W. N. Anderson, of Iowa, for \$8,200. Aristocrat was undefeated Grand Champion bull on the Western Winter Show circuit of 1959. The granddam is a great cow, producing regularly every year here at Louada, and the great granddam at Calrossie is still producing at the age of fifteen years.

Left, **Louada Blood Royal 6th**, the dam of Louada Bombe right, **Louada Augusta Aileen**, the dam of Louada Achille Lot 3, and Louada Aristocrat. Both are daughters of Calrossie Armada.

LOUADA PANDEAN, Lot 4.

LOUADA PANDEAN — His dam is a maternal sister to Louada Principal that sold in our 1956 sale to Pancake Ridge Farms, Ohio, for \$6,000. His granddam is one of the best daughters of Bapton Battleship.

What could be more important to a prospective buyer than a thorough knowledge of the dam of his herd bull? Wherever the pictures are available, we are showing you the dams and granddams of the bulls in this sale. Come to Louada and see them all.

Left to right:

Blood Royal 34th, the dam of Louada Barbarian, Lot 6.

Calrossie Augusta Aileen, the dam of Louada Advocate, Lot 7, and the granddam of Louada Achilles, Lot 3.

Blood Royal 33rd, the granddam of Louada Cornerstone, Lot 1, and the granddam of Louada Barbarian, Lot 6.

Louada Augusta Aileen, the dam of Louada Achilles, Lot 3.

LOUADA ADVOCATE, Lot 7

LOUADA ADVOCATE — His dam, Calrossie Augusta Aileen, has been one of the great cows of the breed. She is the dam of Louada Sensation that is doing an excellent job for Wm. Barry and Sons, Bradford, Illinois. Louada Sensation also sired Louada Ranger, Reserve Junior Champion at the 1957 International, that sold to New Zealand after being used at Louada. Calrossie Augusta Aileen also produced the dam of Louada Aristocrat, bought in our 1958 sale by Bill Anderson and undefeated bull on the Western Show circuit during the winter of 1959. She also produced the dam of Louada Achilles, selling this year.

LOUADA AUGUSTA QUEEN, Lot 15.

LOUADA AUGUSTA QUEEN — Full sister to Louada Fearless, first prize winner at the 1954 International, well known sire for The Hickories in Wisconsin, and now being used by Bivin and Mangold, Waverly, Illinois. Also a full sister to Louada Augusta Kate, Grand Champion Female at the 1956 Royal Winter Fair. We have five daughters of Drynie Augusta 56th in the herd, and we have three Baption Constructor daughters of Louada Augusta Queen in the herd. She was served April 19th to Baption Constructor and this calf will be her fourth calf three months before she will be five years old. If we did not have three daughters of this cow, no amount of money would buy her. In all the females we have bought, we have never had an opportunity to buy one like this.

LOUADA BLOOD ROYAL 9TH, Lot 16.

LOUADA BLOOD ROYAL 9TH — A feature of the female offering. Sells with a red Bapton Constructor heifer calf at foot, and will be re-bred to him. She is a full sister to the dam of Louada Bomber, 1958 International grand champion. These Blood Royals have been good to us and it is only now that we consider we have enough of them to offer any for sale. We still have two full sisters and one half sister to this cow as well as several bred exactly the same. Also we have two daughters of this cow in the herd; otherwise she would not be sold.

Bapton sold Bapton Constructor with the privilege of mating a number of their best cows to him before shipment. This daughter, Bapton Crocus Lita, sold in the 1957 Bapton-Glamis sale for \$10,000, a record price for a Shorthorn female in Scotland. She was purchased by A. R. Cross, Calgary, Alberta.

LOUADA ROTHES TIBBY — From the famous Kirkton Queen of Rothes family. Rothes Queen Buttercup is a full sister to Kirkton Envoy used at Lawton, and sire of Lawton Nelson. Kirkton Formula, used at Easterlovat, was another full brother to Rothes Queen Buttercup. Sells bred to Louada Nugget.

Burton Gordon. Son of Bapton Constructor that topped the 1957 Louada sale at \$13,000 to Mrs. T. C. Stuart, Tutira Farm, Arundel, Quebec.

LOUADA CINDERELLA NITA — A three-year old with her second calf at foot, a red bull calf by Louada Commodore. She is the dam of Louada Chancellor, sold in our 1958 sale at \$1,675 to Jake Ulrich, Luray, Kansas. Re-bred to Bapton Constructor.

Louada Princess Coleen, 1958 International grand champion female. She, too, is by Bapton Constructor and out of a daughter of Louada Forager, making her a 3/4 sister to the calf carried in dam by Lot 31.

ACHATES QUEEN — From a fine Clipper family. Bred April 11th to Bapton Constructor. A daughter of Louada Forager, the \$8,000 top of our 1956 sale. The Constructor-Forager cross has worked well for us.

LOUADA BUYS THE SALTOUN HERD

First time in breed history an entire Scottish herd has been purchased for North America.

This summer Louada Farms added another important chapter with the purchase of the entire famous Saltoun herd in Scotland. It is the first time in breed history that an entire Scottish herd comes intact to North America. The transaction was made personally by Wilbur Donaldson, the third week of June, with the news spreading quickly throughout the livestock press of the world. The fact that this was one of the most highly regarded herds in Scotland added impact to the news.

The Saltoun herd contained 76 females. These break down into 39 cows, 15 heifers of breeding age and 22 heifer calves. The herd is of particular importance in the Louada program because it contains some of the purest sources of the finest A. J. Marshall families. When Captain Fletcher re-established the herd after World War II, he picked the best in Scotland, paid as high as \$8,000 for certain females he felt he must have, and never parted with the best heifers from these families. It is a herd of deep-bodied, smooth, uniform cows of tremendous character and quality — just right to mate to Bapton Con-

structor. You have only to visualize the blending of two herds of this calibre to understand what this transaction means to the Louada future.

Stock bulls used in the Saltoun herd since 1945 are as follows:

Cluny Ark Royal, a son of Calrossie Command.

Pittodrie Landmark. This son of Bapton Upright was in the group of Pittodrie bulls that swept the 1946 Perth show, along with his half brothers Pittodrie Upright and Pittodrie Uprise. One daughter is still in the herd.

Chapelton Royalist. Another bull that made a profound impression in the herd. Used at the same time as Pittodrie Landmark. He was purchased in the 1947 Perth sale where he and four half brothers averaged \$5,460. He was a son of Calrossie Supreme out of Rothes Prudence by Cruggleton Willingdon. Five of his daughters are still in the herd.

Calrossie Good News. Probably the best known of the Saltoun herd sires of recent times to breeders on this side of the Atlantic. He was purchased for 6,000 gns. at the 1948 Perth sale where he was the reserve grand champion. This bull probably exerted more influence on the herd than any other because of his long length of service (1948-1956). Fifteen of his daughters are still in the herd. His son Leveldale Good News, was the 1952 International grand champion. Another son, Leveldale News Flash, was the International reserve junior champion. Another son was the \$10,000 Camson Better News. Hillcroft Good News by Calrossie Good News was the sire of the 1956 International grand champion, Hillcroft Miss Ramsden 3rd.

Easterlovat Gregalach. A son of Kirkton Formula used for a short while in the herd before being exported to Australia. Three of his daughters are in the herd.

Calrossie Good News, the 1948 Perth reserve champion that sold for 6,000 gns. He was used for eight years in the Saltoun herd. Fifteen daughters are in the Saltoun herd today.

Beaufort Cuptie, purchased for 4,500 gns. at the 1955 Perth sale. He is the sire of most of the heifer calves and yearling heifers acquired by Louada in the purchase.

A large group of Beaufort Cuptie heifers that come to Louada with the Saltoun purchase. Photo taken by James King, Ashbourne Farms, LaGrange, Kentucky.

Quotations From Marson

The Saltoun herd was founded by Captain A. M. Talbot Fletcher in 1917. In his history of Scottish Shorthorns published in 1946 Wing Commander T. B. Marson commented at length on the Saltoun herd. "He (Captain Fletcher) has a sound knowledge of the Shorthorn, plenty of enthusiasm, his own ideals of the type he wanted to breed, and his own ideas as to the quickest and best methods of achieving his aims. He succeeded in forming and maintaining for a number of years a high class herd which for quality and soundness could bear comparison with any similar size herd in the country."

Beaufort Cuptie. Purchased at Perth for 4,500 gns. and sired by Cruggleton Guthrie. Most of the heifer calves and yearling heifers are sired by him. This bull left a most attractive group of heifers, few of which were ever offered for sale by Saltoun. Those that were offered were quickly taken by leading herds. Three daughters are at Uppermill, one at Westdrums.

There are a few heifer calves in the herd by *Tolquhon Pole Star*, purchased privately. He is a full brother to Tolquhon Princess Molly, 1959 Perth champion female, purchased for \$3,900 for the Calrossie herd.

"Then came the inevitable between wars agricultural depression. Captain Fletcher's interests were many and varied . . . and he decided to reduce the size of the Saltoun herd and retain only a nucleus. This was the state of affairs until the time of the war just ended when Captain Fletcher decided to reside permanently at Saltoun and to bring up his herd numerically and to a position of first rate importance. To this second venture, made at a most opportune time in the interests of the country and the Short-horn breed, Captain Fletcher brought his experience, energy

A group of cows at Saltoun. Photograph taken in August after the Louada purchase.

Chapelton Royalist. Purchased by Saltoun in the 1947 Perth sale for \$10,400. Five of his daughters are in the herd today.

Saltoun Ann Wimple and bull calf by Beaufort Cuptie. The Wimple family has been one of the best in the Saltoun herd.

and enthusiasm and that he now (1945) has 116 head. The matter of price has never deterred Captain Fletcher when once he has made his mind that an animal in question comes up to his standards . . . he insists on the best and will not be fobbed off with second best.

"The breeding animals are a very attractive collection, being all of one type and exceedingly well matched. They have good heads, are deep with good loins and ribs, width across hooks, good tailheads and rich in color, coat and flesh."

The Saltoun herd has become highly respected in North America through the numerous animals bred at Saltoun that have been outstanding in the sale ring, show ring, and in the breeding herds. The principal female families are well known. They are the Princess Romas, Rothes Queens, Wimples, Augustas, Paulines, Claras, Buttercups, Bridesmaids, Princess Margarets, Queen Maries and Queen Margarets.

This brief account of the Saltoun herd is presented here as reference material for the many Louada bred cattle in the future that will descend from Saltoun females.

Five heifers at Saltoun. Photograph taken in August after the Louada purchase.

Wilbur Donaldson, manager of Louada Farms, judging Shorthorns at the 1958 Palermo show in the Argentine.

Those who have seen the Louada cattle, the sons and daughters of Bapton Constructor, and many of you who haven't seen them, don't need anyone to tell you how good they are. However, there is one aspect to all this that I would like to mention as the basic reason for their success. It is the Louada attitude of — "Whatever it takes to do the job right — do it." This prevails in every phase of the Louada operation. They do not rest on their laurels. When they go out to buy a herd bull they are looking for nothing short of the best bull in the world — and they do not delude themselves that such a bull can be picked up on the bargain counter. Whenever they see a female that can help them, they try to buy her

This seems like such a simple formula for success that we wonder sometimes why others don't follow it. One of the reasons is that the Louada people work at this business. They believe in getting around to know what is going on — that observation is a vital part of keeping their own herd at the top. I couldn't guess how many tens of thousands of miles Wib Donaldson and Lou Cadesky travel every year.

. . . and along these lines of keeping up with what is going on . . . the 1959 Louada sale will be a mighty important place for you.

Don Longley

(Note): The late October schedule was not available at the time this catalog went to press. Changes in flight times go into effect the weekend before the sale, so be sure to check with your ticket agent. Make your reservations early to be sure of space. If you are having difficulty call the Toronto office of

Louis Cadesky, Empire 30412 and we may be able to help you from this end.

We will be happy to meet your plane. It is a two-hour drive to the farm. Try to arrive no later than one of the first two flights on Sunday, October 25. Please advise us in advance of your arrival time. Report to the

flight information desk of Trans-Canada airlines. A representative of Louada Farms will be nearby. If you miss connections call the farm Buckhorn, Oliver 78792.

Schedules from other Eastern cities and the Canadian West are equally good.

Canadian Pacific Railway (Standard Time)

Lv. Chicago	7:50 p.m.	12:01 a.m.	9:00 a.m.
